The Acorn is a half-day educational preschool and Kindergarten offering morning and afternoon classes to children from 2 years 8 months old through kindergarten (age six). Children enrolling in school for the 2023-24 school year should have their third birthday before December 31, 2023. Children turning 3 next September, October, November, or December, are eligible for enrollment in either of the 2 day morning classes only. In those classes there are a limited number of spaces available for those turning 3 in the fall. We also try to balance each of the other mixed age classes by age and gender. Preschool classes generally have from a 5 to 1 student teacher ratio, while our kindergarten has approximately a 6/1 ratio.

At enrollment time, there is a \$400 enrollment fee due for each student. Tuition for each class is listed on the back; in addition, there are annual fees which cover activities, supplies, nutritious snacks and cooking activities, field trips, etc. as well as Music, Spanish, and art teachers where applicable. All annual fees, along with the first tuition payment, are due by Saturday, July 1<sup>st</sup>. All tuition payments can be made in the office, by mail, or on our website. Credit card payments will have a 3% processing fee added. **We are offering a 2% discount for those paying for the semester (Fall-4 months, Spring-5 months) and a 3% discount for those paying for the entire school year by July 1.**

If a parent wishes to claim an exemption from immunizations, or prefers a delayed schedule, a notarized affidavit must be requested from the state, completed and attached to the health form.
