### *Fancy That!!*

### *Session 1*

Come forth, young ones, and embark on a wondrous journey akin to that of Fancy Nancy in "Fancy Nancy and the Posh Puppy." Discover that true elegance transcends mere appearances, rooted instead in a boundless zest for life—what the wise call a genuine joie de vivre, a fancy term for reveling in joy. Our path is paved with merriment and enlightenment, where we gaze upon celestial wonders, embrace the great outdoors, delve into the world of butterflies, unravel the mysteries of museums, enrich our lexicon with "Fancy Words," and venture on escapades that ignite our imaginations! Alongside Nancy, Robert, and Bree, let us weave a summer tapestry brimming with excitement! The enchanting tales of Fancy Nancy, favorites of both boys and girls, await your eager hearts at The Acorn! Now doesn't that sound fancy?

This mixed age class is for younger children.

### **It's a Block Party!**

### **Session 1**

This summer, brace yourselves for a block party takeover! Get ready to dive into a world of Unit blocks, Hollow blocks, and Kapla blocks. We'll be spending our days keeping our hands busy with fun and creativity. Starting with some free play, we'll then level up with challenges and inspiration from architectural wonders. Finally, we'll add those fancy design touches and accessories. On Day 9, it's showtime - parents get an exclusive peek at our block museum! Besides oohing and aahing over our creations, we'll be high-fiving the awesome skills we've picked up - spatial smarts, planning prowess, teamwork magic, and more. And to wrap it up, we'll do some mega block counting using clever grouping tricks. Let the block adventure begin!

This mixed age class is for older children.

### **We've Got the Beat**

### **Session 2**

In rhythm and rhyme, music and pattern, we will bring out the beat all around us! We will clap and pat our way through reading patterns, keep the beat to music, and rhyme our way through poetry, Mother Goose, and nursery rhymes! Some favorites will include Miss Mary Mack, Jack Be Nimble, Hickory Dickory Dock, This is the House that Jack Built, Brown Bear, There Was an Old Lady Who Swallowed a Fly, and some new versions like Mary Had a Little Jam!

### **Mud, Glorious Mud!**

### **Session 2**

This session is a celebration of the wonders of mud! Dive into thrilling tales where mud takes the spotlight. Get hands-on with various mud types - the dirtier, the better! Our playground mud kitchen will be buzzing with activity as we whip up some top-notch mud pies. Let's mold sculptures with mud and clay, then embark on a nature walk through Brackenridge Park to admire Susan Budge's masterpieces. Let the muddy adventures begin!
