APPLICATION FORM

The following criteria needs to be met in order to be eligible to be considered for enrollment:

1. A separate application form must be filled out for each child.
 2. With each form, a family must submit a non-refundable application fee, check or cash. Fees are \$75 for the first application, \$60 per application for siblings.
 3. Each family must attend a parent information tour. Our formal tour videos are also on the website for parents to watch.
- ✿ Enrollment for new families begins in January for the following school year that starts in September. New families who have submitted an application and attended a tour are considered for enrollment in the order in which they first contacted The Acorn.
 - ✿ Parents need to call the January prior to enrollment to inform The Acorn of their interest in enrolling their child for the following school year and to update information.
 - ✿ Fulfilling the above criteria does not guarantee a spot will be available for your child.
