The Acorn is a half-day educational preschool and Kindergarten offering morning and afternoon classes to children from 2 years 8 months old through kindergarten (age six). Children enrolling in school for the 2022-23 school year should have their third birthday before December 31, 2022. Children turning 3 next September, October, November, or December, who pass a developmental screening are eligible for enrollment in either of the 2 day morning classes only. In those classes there are a limited number of spaces available for those turning 3 in the fall. We also try to balance each of the other mixed age classes by age and gender. Preschool classes have from a 4/1 to 6/1 student teacher ratio, while our kindergarten has approximately a 6/1 ratio.

At enrollment time, there is a \$400 enrollment fee due for each student. Tuition for each class is listed on the back; in addition, there are annual fees which cover activities, supplies, nutritious snacks and cooking activities, etc. There are also Music and Spanish fees for the teachers of these special programs in all classes, except the Two Day morning classes. We have combined these two fees for the total shown on the back. The Kindergarten and Five Year Old Classes also include a fee for our special art teacher. All annual fees, along with the first semester's tuition are due by Friday, July 1st. All tuition payments can be made in the office, by mail, or on our website. Credit card payments will have a 3% processing fee added. **We are offering a 2% discount for those paying for the semester (one-half of the school year) and a 3% discount for those paying for the entire school year by July 1.**

The state requires that, in order to enter school, each child must have a current health form completed by a doctor detailing immunizations and general health, and for those 4 yrs. of age and older, a hearing and vision screening as well. If a parent wishes to claim an exemption from immunizations, or prefers a delayed schedule, a notarized affidavit must be requested from the state, completed and attached to the health form.
